Dear Mr. Ashcroft:

I am writing to you as a very concerned citizen. I appreciated the job you have done, and think you have done well.

This is in reference to the Microsoft case. I am only a concerned citizen, and I have no personal or financial interest in this case whatsoever.

I want you to know that I am TOTALLY ASHAMED OF THE UNITED STATES GOVERNMENT for continuing the prosecution of Microsoft. Microsoft has worked hard to develop an operating system and software that is reasonably priced, and has changed all of our lives. They should NOT be punished for innovation. The government SHOULD NOT be wasting taxpayer dollars on this case! I URGE you to stop this from continuing.

I will make sure that I vote AGAINST anyone in office that continues this prosecution of Microsoft. We have far worse problems that we should be spending money on, that are not even be addressed.

Please feel free to contact me regarding this,

Kindest regards,

Chris Hudgins
